We really like the people-people interaction and sharing orgasms. So that's really our thing. But if not, we think about other people we would want to fuck or read hentai anime books. We like the naughty pictures. We don't really watch too much porn but when we do, we always watch lesbian or anime porn.

The whole time when I'm having sex or acting, I'm being me. I guess you can see from my pictorial that I have a bigger butt than most Asians. I get a lot of looks and compliments because of it. It's very flattering and I've learned to use it to my advantage, as you can see here.

Lust in Little Tokyo

It's now ten pm and she's an hour late. I don't want to call and seem anxious, yet I'm concerned that something may have happened in this weather. It's Friday night and it's pouring rain out there. Lightning breaks the darkness and thunder shakes the house. I'm looking out at the street standing at the window fingering my cell phone. I decide I have to know if she's okay. I'm scrolling through my 'Contacts' when there's a knock at the door. I put the phone down and go over, looking through the peephole. It's her. I open the door and she's standing there, dripping wet, even though she had an umbrella. "Hi baby, are you okay? I was more than a little worried." I say as I motion her to come in.

"Oh it's the rain. It was raining a lot harder where I was than it is here." she replies as she walks past me and into the house.

I watch her walk in as she hands me the umbrella and I close the door. My heartbeat is increasing quickly. Minako looks incredible. She stops at the edge of the living room and takes off her wet shoes. Looking back at me she says, "I'm going to go get out of these wet clothes, okay?" She heads off to the bathroom and returns a few minutes later in a sweet hot light blue gingham-patterned crop shirt and matching shorts. They are a perfect match for her long brown hair and black eyes. Her figure is sublime. Tanned, five foot six with the cutest little butt and quite toned. She's told me that she's at the gym three to four times a week, something I don't have a chance to do.

I'm waiting for her in the living room. She walks in like an Asian goddess and I can't believe we're about to do this. I stand when she enters. "Minako. You look beautiful tonight." She thanks me as I hand her a drink.

She looks at me downing her glass of wine. "I like your outfit." she says. I thank her and told her I got it just for tonight. I'm in a pink top and white and pink short skirt. It's low-cut front accents my ample cleavage and makes my boobs look great. I'm just an inch or two shorter than her but the couple extra pounds I have on look good on me. They make my boobs and butt look really good.

Then she follows me over to the sofa and sits next to me on my left and he sits on my right. Kenji has been waiting quietly for us. He takes both of our glasses and puts them on the coffee table. We make some very small talk before she starts to kiss my neck, working her way up to my ear and cheek. Her kiss is soft and my skin tingles. I feel her hand on my leg slowly going up my thigh but she stops short of my pussy and then her hand goes back down towards my knee. I can already feel my pussy juices begin to flow and it isn't long before my panties are soaked through. I refocus to a warm wet mouth on my breast, gently biting my nipple. I give a slight moan. I feel a hand, soft on my cheek.

Minako turns my face to hers and begins a kiss. She looks at me, mouth open, tongue appearing at the opening. She moves her head closer, her tongue darts into my mouth. She kisses me hard, caressing my face,

sucking my tongue. Instinctively, my hand goes to the bulge in my man's jeans. He is shirtless and shoeless, and he told me before, boxerless. Kenji unzips his fly and pulls out his cock. He places my hand back. He turns me to face Minako and starts to stroke my ass, his hand goes under my panties and I feel him brush my asshole with his finger. I lift my left leg putting my foot on the edge of the table to make it a little easier for him. Minako's hand finally slips into my panties and she immediately finds my clit and begins to rub and pinch the lips around it with her tongue still in my mouth. As soon as she touches me, my tongue pushes back and our faces press closer. I have been caressing her butt and thighs, but with that my hand pushes her legs more open and finds her wet pussy. I move her panties to one side and stroke her clit, rubbing hard until I realize how hard I was rubbing, then ease up as she moaned loudly with our mouths still pressed tight. With two sets of fingers touching and stroking my pussy and asshole, I feel an orgasm start to build. The intensity is overwhelming. I hear heavy breathing that turns to loud moans. It's me.

Minako pulls my panties past my hips and puts a finger into my hot pussy. She finds the right spot and works it around inside. I feel a second finger go in, then a third filling me even more. Suddenly, I feel my asscheeks widen and his fingers, that had been massaging me, now enter my butt and I'm aware that both my holes are filled at the same time. Never before. I moan even louder, breaking my mouth away from hers as she increases the speed and pressure she is using. After a few moments my orgasm hits, wave upon wave of pleasure. My body spasms, bucking, twisting, I have no control. Slowly it passes, my breathing heavy and eyes closed. I still feel everyone's fingers inside me but with

more gentleness now.

Minako looks at me, a slight smile on her luscious lips. She stands up from the sofa and pulls her panties off. She sits back down and raises her legs in the air. She starts rubbing her clit with her hand, sticking her fingers in and out. I get off the sofa and position myself in between her velvet thighs. My tongue follows sweat trails up her thighs licking her smooth skin as it goes

along. I move closer to her pussy and then reach her inner lips and lick with long strokes which end at her little button. Her hands move to the back of my head and she pulls me closer. "Kiss me there." she says in hot anticipation.

My tongue enters her as I smell her womanly scent. She moans loud as one hand grabs hold of my hair and tries to pull my head closer almost rubbing my face in her clit. Her other hand goes down to her pubic hair, fingers either side of her clit, she pulls the small hood away exposing her bud of pleasure for me to devour. I take her clit into my mouth gently sucking it as my tongue firmly licks it. My mouth is gently biting and my lips are pulling at her labia. My face is buried between her thighs as I feel Kenji come behind me; my ass is exposed and he kneels behind it. I feel his lips and tongue around my asshole, his fingers rubbing my clit.

I feel a finger enter my anus once again, then a second one enters as he pushes them deeper into me. I start to rock back and forth taking his fingers deeper. He pushes them in and out of me as he feels my rhythm licking her sweetness. I feel the engorged head of his stiff cock pushing at the tight entrance. He slowly pushes its whole length into me. He holds my hips tightly as he thrusts firmly into my butthole. I feel him bend down and his large hands envelope my hanging breasts. I notice the relief from gravity and I push my hips back into

I have been caressing her butt and thighs, but with that my hand pushes her legs more open and finds her wet pussy. I move her panties to one side and stroke her clit, rubbing hard until I realize how hard I was rubbing...

him as if to say thanks. With each thrust he pushes my tongue deeper into pussy. It's Minako's turn to start to lose control as I feel her orgasm hit with a sudden wetness on my face as she ejaculates her warm pussy juices.

She slides down onto the floor and finds my mouth – kissing me and licking my mouth and lips. Her hands find my breasts and pushes his away so she can twist my nipples. His cock is in my ass and his balls slapping my pussy. He increases the speed, the feeling is now wonderful not painful, and my orgasm seems to last hours. My sphincter closes tight around him and I feel his cock tense more. He's going to shoot. He pulls his cock out and I quickly turn around, mouth open waiting for his juice to enter. He misses my mouth and so the cum splays all over my lips and face. I take his cock in my mouth swallowing it deep until the whole thing hits the back of my throat. I suck it clean. Minako moves around and starts to lick the cum off my face. She cleans me completely.

Minako's gets up on her knees and takes his cock in her hand and starts pulling it into her mouth. She starts with the head slowly licking and sucking. I can see he's enjoying it, eyes close oblivious to me. Minako starts to take more and more into her mouth, she gags but this doesn't stop her. His cock disappears down her throat. Soon she stands up and then lays herself down on the sofa. She lays on her side and pulls Kenji over so she can continue to suck his cock. I push him down gently at the shoulder and he grabs the top of the sofa hovering over her as she works his cock. He's bent perfectly so I can lick his asshole and balls. I nuzzle in and his musk intoxicates me as my tongue flicks his hole. I lick the entrance and then I wet one of my fingers and push in to the first knuckle and wiggle it around; then I put in a second then a third. I hear him moan as I increase the speed, thrusting them in deeper, backwards and forwards. I know now that it won't be long before he'll explode.

His cock increases it's thrusting in and out of Minako's mouth. I feel my fingers excite his prostate. His body shakes, he holds Minako's head and fucks her mouth.

She is not used to this and gags several times but continues to suck as his intense orgasm seems to continue for ever. Minako takes all of his semen just as I did. Not a drop escapes her. I remove my fingers from his ass with a soft suction sound. He shudders and rolls over to the empty sofa cushions and lays back closing his eyes and breathing heavy. When opens his eyes, he sees Minako and me are sixty-nining.

I'm on the sofa cushions and she's on top with her ass in the air. She is an expert with her tongue with years of licking pussy, hitting all the right spots and soon she's got me screaming. She flicks my clit with her tongue and nibbles it with her teeth. My fingers find their way deep into her pussy. She begins to rock back in approval. Kenji gets up and kneels behind her. He's gotten hard again watching me finger fuck her and hearing our moans. He kneels behind her, his balls dangling above my face. I take his stiff rod and guide it into her hole as I spread her pussy lips.

I feel Minako's body tense up as he pushes in. To my surprise she pushes back and takes his entire length. I poke my tongue out and try to lick his balls as he thrusts. He holds his cock and removes it from her pussy and targets my mouth. I taste her juices all over his dick. I suck it hard for moment when he sticks it back in her for a few more thrusts. He thrusts it into me then into Minako repeatedly. She's obviously gotten comfortable with a cock inside her and has started to lick my clit again. I sense we all feel the same groove as our bodies move back and forth in sync. I cum first as Minako hits all the right spots at the right time. Minako's next to climax, burying her face deep into my crotch to muffle her screams. Kenji pounds her from the back with deep thrusts but manages to pull himself out and sprays on her shiny, sweaty ass. It drips down her crack onto my face. My tongue reaches out for it.

I love my husband but things had become stale. I got up the courage to talk about it with him and we discussed several ways to help our marriage. I think it was a good solution. Don't you?

Visual fantasies are for a reason. They're to get you off. To make your experience more than the reality of it. But what does it take to really get you off? A vixen of unknown depth and sensuality. i needed the work but i wasn't prepared for this

Sachi, my husband and I have reviewed your CV and, after discussing it, we would like you to consider coming to work for us. We'd love you to help watch our kids for the summer. Aiden has taken a job that dictates he'll be traveling a lot and I'm going need the help." said Dora. I had come home for spring break during my senior year. My name is Sachi and I'm 20 years old and graduating college in a couple months wanting to be a teacher. I heard jobs were going to be scarce this next school year as the school board cut back on teacher's salaries and positions. Thinking ahead to the prospect of no work after college, I thought I shouldn't pass this up, even if it's just a summer job.

I told Dora I was flattered that they'd consider me for such a position. "If it will help you decide, there's an extra bedroom on the second floor of the house that you can have as yours while you work for us. For free, and we'll share making dinner for the summer."

I told Dora that was a generous offer and I would like to talk things over with my parents and if I see her next week at church, I'd have an answer for her. We exchanged phone numbers and headed to our cars to leave. A week later I saw them at church and accepted their offer. I moved in with them June second, after my graduation.

It's the Fourth of July now and I've been on the job for a month and all seems good. I do my work taking care of the kids, and they seem to have accepted me as a part of the family. Tonight, however, Dora asked if I would also watch the kids of their best friends tomorrow because they all wanted to go to a party. I said I would and actually looked forward to it. It was the Fung's place at two in the afternoon and they were going to leave around five for their soiree. She said they would have a few hours to get ready before going to a church function that also included a dance later in the evening.

Down the hall, I could hear Dora in the shower, and I went to my room to prepare. I pulled my t-shirt over my head and looked at my boobs in the mirror. They were full and my nipples were always hard. I wore padded bras so no one would notice. I heard Dora come out of the bathroom and into her bedroom. I slipped on a modest skirt and went downstairs to wait for everyone.

A half-hour later, everyone had gathered in the living room and we went to the garage and piled into the mini-van. It was a short fifteen minute drive to the Harts'. We turned into a really nice development with big new houses. Aiden stopped the car outside a big modern mini-mansion type of house. The door opened as we approached

and a tall, good-looking man about forty or so stood there. He shook Aiden's hand and then kissed Dora on the cheek. He asked if I was Sachi. Aiden said 'yes' and I said "Nice to meet you." "Won't you all please come in." he said and we all walked down the hall and through another door, I followed the group not knowing where we were going, but everyone else seemed to know.

A shrill voice shouted from the top of a stairway, "Dora, honey, I'm upstairs."

Dora takes my hand and says "Sachi, come and meet Tamiko," and led me up the stairs. She found the bedroom and we saw Tamiko standing at the foot of a large, unmade bed. She was wearing a large beige towel wrapped around her, tucked it in above a pair of large boobs so it wouldn't fall. That left the towel a little short and at times I could clearly see her hairless pussy as she moved about. As she kissed Dora on the cheek, she glanced over at me and said. "You must be Sachi. I'm Tamiko. Thank you so much for helping out tonight. We don't often get out for parties and this is a blessing. Let me get dressed, then I'll show you where everything is."

I sat on a chair near the bed and watched as she went to her wardrobe, all the time she and Dora were chatting away. She dropped the towel and stood there naked momentarily as she pulled a shiny dress out and stepped into it. "You look pretty sexy in that dress. Think it's appropriate?" said Dora. "It may not be right for the event, but it's right for the dance." she replied, and they both laughed.

Tamiko showed me round the house pointing out the different places. The two living rooms, the bathrooms, their kid's bedroom and the bedroom for their kids, who were now settled in and falling asleep. She showed me the kitchen, and we ended up in the family living room where she told me to pull some DVD movies out if TV was too boring. I saw the two couples to the front door, closing and locking it behind them as they drove off to their function.

I watched TV for a while and it did

get boring. Who'd think with over 300 channels to choose from that TV would get boring? So I decided to watch a movie and went to the DVD player to put one in. But there was one already

Tamiko then pushed Dora's head down between her boobs and Dora started sucking on her nipples.

in and it was on 'Pause.' Not really caring what I was gonna watch, I pressed the play button and it spun into action. I could hear Tamiko's voice coming from the speakers as the video kicked in. She was standing in the middle of a room naked and playing with herself. She was rubbing quite freely and looking at someone just off camera.

"Come over here." she commanded and I was shocked to see Dora's butt, then her whole body walk over to Tamiko. She went over and stood next to Tamiko and pulled Tamiko's hand from her pussy and put into her mouth. Tamiko rubbed her fingers around her lips, and then over Dora's. Dora pushed

her face closer to Tamiko's and kissed her, pushing her tongue out and licking around Tamiko's lips.

The camera zoomed in to the action and then I realized that someone else was behind it filming all this. I wondered whose husband it was, or maybe both of them, or maybe even someone else. Tamiko then pushed Dora's head down between her big boobs and Dora started sucking on her nipples. After a few minutes and plenty of licking, Dora stopped sucking and biting on her nipples, readjusted their positions and sat on the bed. It was the same bed as the one upstairs. It was Tamiko's bedroom.

My pussy was still tingling as the last drips of my juices seeped out onto the sofa leaving a wet patch on the cushion.

Dora then pushes Tamiko gently back onto the bed. She kneels in front of her and pulls Tamiko's legs up and apart so she can get at her pussy. I hear Dora's voice, "Baby, you're so wet." Tamiko moaned and said, "I'm waiting for that wonderful tongue of yours. My clit needs licking." I could now feel the juices in my own pussy building up but I couldn't tear away from the screen.

The camera now got a close up of Dora eating Tamiko's pussy. Then it panned up Tamiko's body to show her fingers pinching and pulling on her hard nipples. Now Tamiko's ecstatic face came

into view and she was rolling her head from side to side, licking her lips and pushing fingers into her mouth.

I leaned back on the sofa and hiked my skirt up a bit. Then I slipped a couple of fingers in my pussy and fondled my clit as the action on screen moved back down to Dora licking. On the screen now, Tamiko had acquired two large dildos and handed one to Dora. Tamiko leaned forward and pushed her dildo up inside Dora's pussy – all the way in and then pulled it out. She did this several times before rubbing it over Dora's nipples. Tamiko then took each one of Dora's nipples into her mouth and sucked and nibbled on them.

Then they switched and Dora did the same to Tamiko. Now they're both laying back and each was fingering the other's clit and sucking each other's nipples. Tamiko pushed her dildo into Dora's sopping wet hole and thrust it in and out a dozen times or so, then pulled it out and put it into her mouth to suck it clean. Dora returns the favor and the camera zooms in for a magnificent close up of the dildo going into Tamiko's smooth, wet pussy.

The two ladies switch positions on the bed into a femme sixty-nine with Tamiko on top of Dora. The slurping sounds of their tongues on pussy is so erotic and exciting that I just close my eyes and listen. I don't need to watch. I try to mimic the sound and the rhythm of their actions with my fingers in my pussy. While not making quite the same slurping sounds, I can hear my fingers sloshing around in my pussy juices. On screen, both were now fucking each other with the dildos, each nearing orgasm.

I changed hands a dozen times before exploding, my pussy clenching tight around my wet fingers. When I opened my eyes, the screen was black. My pussy was still tingling as the last drips of my juices seeped out onto the sofa leaving a wet patch on the cushion. I straightened my clothes and went to the kitchen to get a wet cloth to clean it up.

Later, I went back upstairs and checked on the kids who were still sound asleep. I went back downstairs, and got a cold drink and went back into the living room to watch some more TV. An hour or so later I heard some racket at the back door and then muffled voices coming from the kitchen. I could make out Dora's voice and then Aiden's. Then I heard Tamiko's crisp and clear as she entered the family room.

"I hope we haven't kept you up, Sachi," she said. "Honey, you should have gone to one of the spare bedrooms and slept for a while. If you like, Dora said you can stay here tonight tomorrow she'll pick you all up."

Dora then chimes in "If you like, I'll take you shopping tomorrow as a big thank you. How does that sound?"

"That sounds wonderful, thank you." I say to Dora. "Then I'll see you tomorrow, Sachi," she said as she pulled Aiden out the front door.

Closing the door behind them, Tamiko asks how my evening was and thanks me again for staying at the house. She grabs my hand and pulls me towards the stairs. We climbed the stairs and looking back at me says, "I'll show you where you can sleep."
